Level with Dorsal D-ring

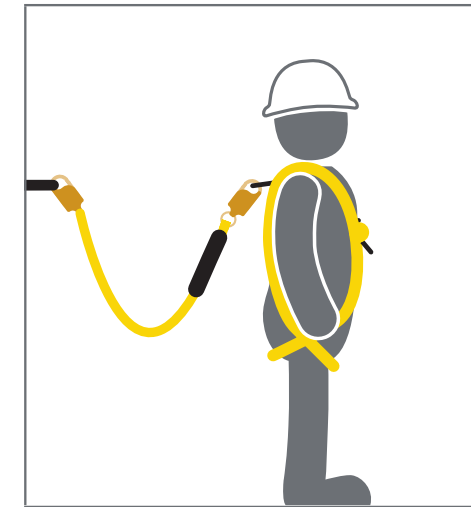

Anchor Point:
At Foot-level

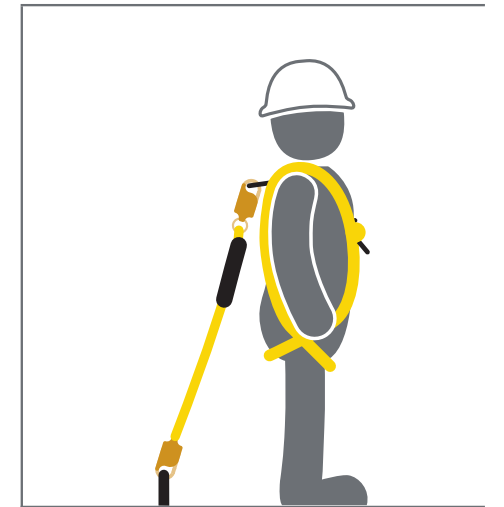

Lanyards

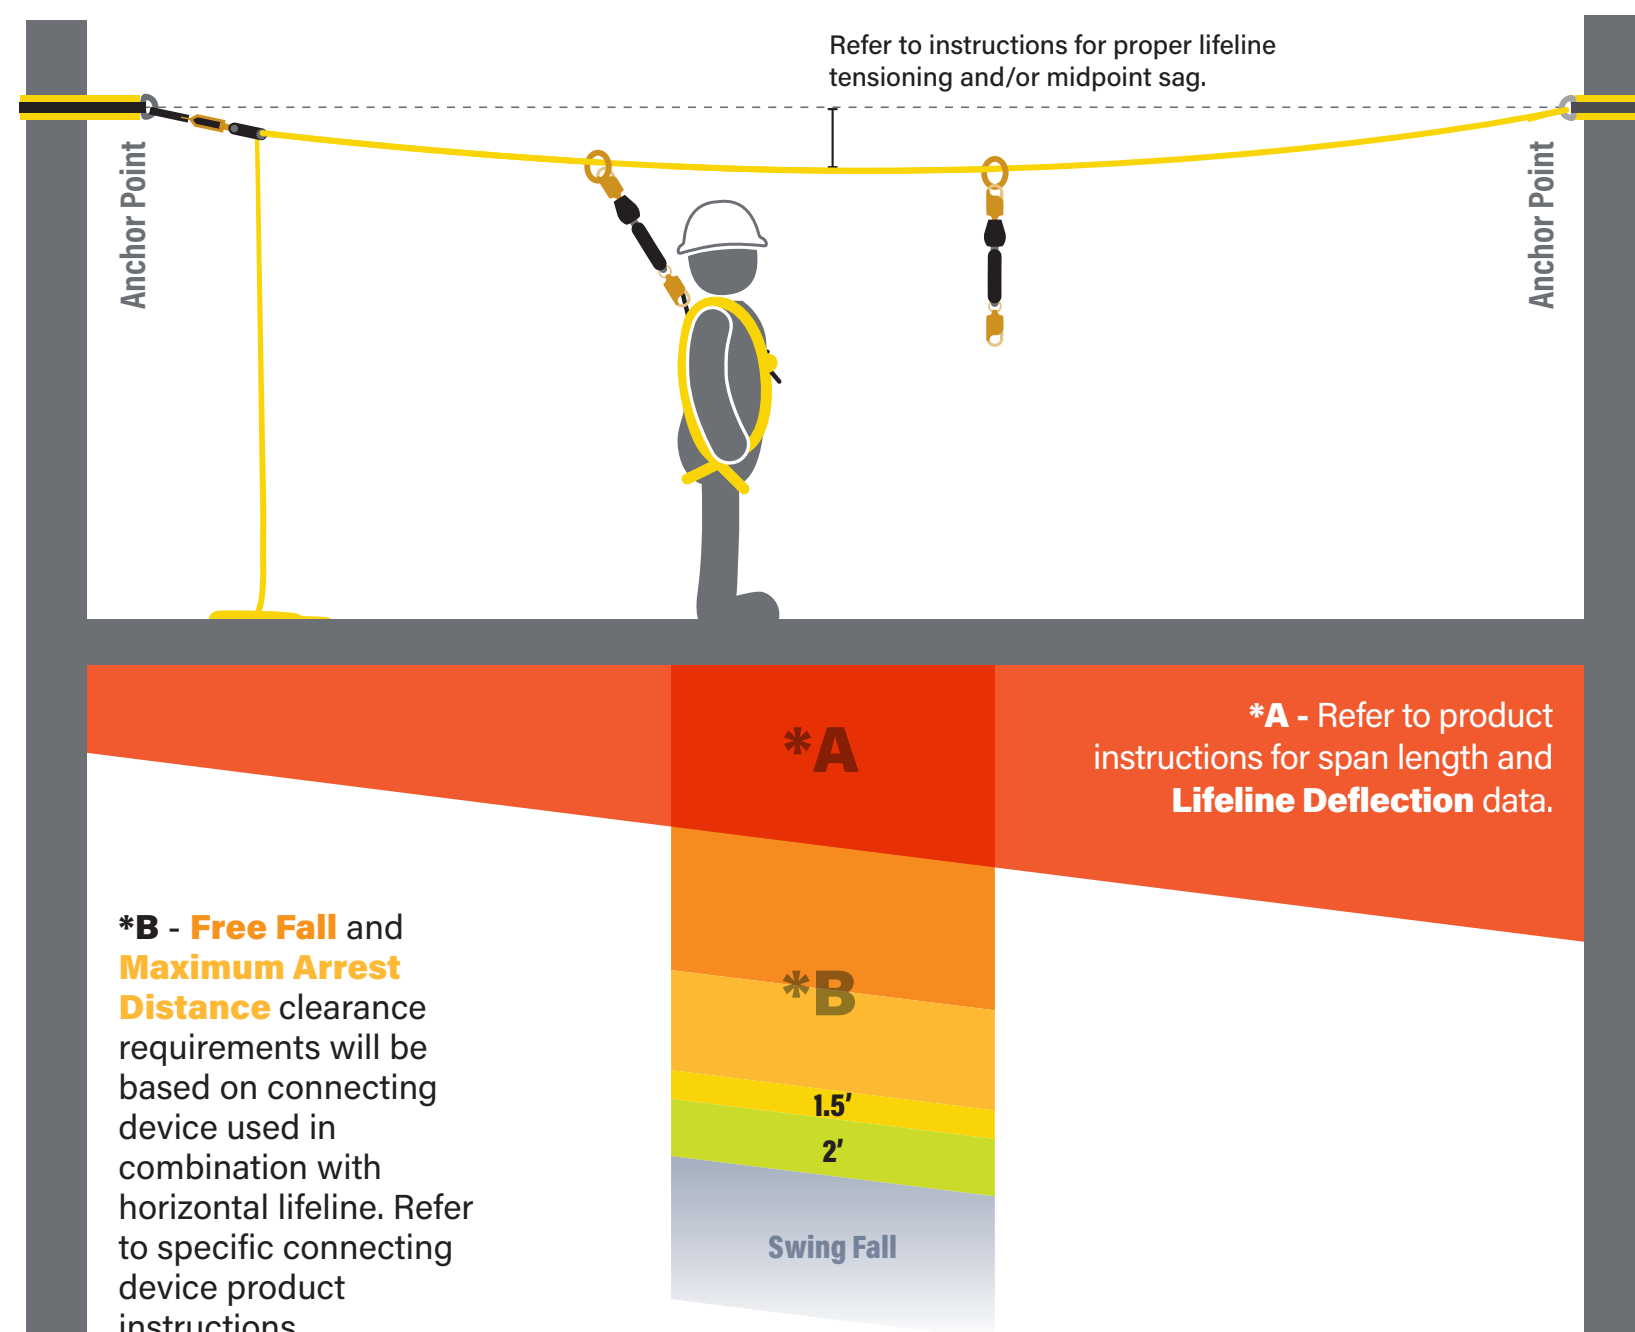

Anchor Point:
Level with Dorsal Ring

Anchor Point:
At Foot-level

Horizontal Lifelines

For All Applications:

Refer to Guardian's Fall Clearance Calculator to determine scenario-specific swing fall value.

If there is any risk for lifeline to impact sharp or abrasive edges or surfaces, a Leading Edge (LE) rated connecting device must be used.

-  Lifeline Deflection
-  Free Fall
-  Maximum Arrest Distance
-  Harness Stretch
-  Safety Factor
-  Swing Fall

**HEIGHT SAFETY.
SIMPLIFIED.**
