Seraph Harness

Back and better than ever! The Guardian Seraph Full Body Harness returns with new features built for the toughest jobs—while keeping the trusted design that make it a worker favorite.

This upgraded version features new Auto-Resetting Lanyard Keepers for easy, reusable stowage and an integrated SRL Adapter Slot that keeps personal SRLs high and tight, optimizing weight distribution. Plus, we've retained the comfort and safety elements users love, including plush shoulder padding, wear-indicating red inner-core webbing, and a slotted pass-through chest buckle for quick, secure donning.

NEW Seraph Harness — Functionality, durability, and reliability that's comfortable on your body, and your bottom line!

	Size	Chest Buckle	Leg Buckles	Waist Buckle	Side D-Rings	Shoulder Padding
3711172	XS-S	PT	TB	TB	✓	✓
3711173	M-L	PT	TB	TB	✓	✓
3711174	XL-XXL	PT	TB	TB	✓	✓

PT = Pass Through | TB = Tongue Buckle

NEW PRODUCT GUIDE

Spring/Summer 2025

Velocity-Edge SRL

AVAILABLE SUMMER 2025

The new Velocity-Edge Class 2 SRL is both durable and lightweight to meet the demands of workers who require a straightforward, no-nonsense cable SRL. The Velocity-Edge SRL features a useful carrying handle that allows for easier installation and reduces fatigue while transporting the device on site.

The new Velocity-Edge SRL can be used for numerous applications across a jobsite where the connecting device has potential to impact the edge of a hazard in the event of a fall.

	Length	Lifeline	Hook Type
4200108	16 ft	Cable	Aluminum Carabiner
4200109	20 ft	Cable	Aluminum Carabiner
4200110	30 ft	Cable	Aluminum Carabiner
4200111	50 ft	Cable	Aluminum Carabiner

NEW

Carabiner color may vary.

CR5 11 ft SRL-P

Guardian is excited to add the all-new CR5 11 ft Class 1 Web Personal Self- Retracting Lifeline to its industry leading line up of SRLs. Engineered for the toughest jobsites, this lightweight SRL not only meets, but exceeds ANSI Z359.14-2021 performance standards and boasts an impressive 36-inch arrest distance to help minimize fall clearance requirements. Featuring a durable high-strength, impact modified thermoplastic housing, it's built to last.

Available in single- and dual-leg configurations with aluminum or steel snap or rebar hooks, it comes equipped with a premium triple-action carabiner, a rugged nylon shock absorber cover, and a QR code for instant access to vital product documentation.

The CR5 11 ft SRL-P is designed to keep you safe and compliant, anytime, anywhere!

	Length	Lifeline	Hook Type
4200070	11 ft	Webbing	Steel Snap Hook
4200071	11 ft	Webbing	Aluminum Snap Hook
