STEP 2. INSPECT PRODUCT

If the date of manufacture is from January 2020 through June 2020, or for any reason unknown, the product must be immediately removed from service and inspected. If inspection is required, inspect the product in accordance with the manufacturer's user instructions.

Electronic copies of the instruction manuals can be found here:
[CSA Halo SRL](#) / [CSA Halo SRL-LE](#).

Inspection includes, but is not limited to, overall condition, locking function, retraction function, exposure to hazards, and label legibility. Product that passes inspection in accordance with the manufacturer's instruction manual may be returned to service. All affected product that does not pass inspection must be returned to Pure Safety Group for replacement as described in Step 3.

DO NOT ATTEMPT TO REPAIR THE PRODUCT.

STEP 3. COORDINATE RETURNS:

Customers with affected product that does not pass inspection must contact Pure Safety Group Customer Service to coordinate a return.

Please call: **705.521.1115** or email: mike.costello@puresafetygroup.com

DO NOT RETURN PRODUCT TO PURE SAFETY GROUP WITHOUT OBTAINING A RETURN AUTHORIZATION NUMBER FIRST.

Pure Safety Group will replace all affected products that fail inspection free of charge including any associated shipping costs. Customer Service will provide instructions for shipping returned product on Pure Safety Group's shipping account.

Please direct any questions to the Customer Service Department.
